

## *Santa Maria* **Indians Baseball Club**

Dear Sponsor,

August 07, 2026

On behalf of the **Santa Maria Indians Baseball Club**, we would like to extend our heartfelt gratitude for your consideration and support of our organization. Community sponsorships play an important role in helping us provide meaningful opportunities for collegiate and youth athletes throughout the Santa Maria Valley.

Because of community partners like you, our players are able to compete against some of the top collegiate baseball programs in California while continuing to develop their skills both on and off the field. Sponsorships help offset the costs of travel, lodging, equipment, uniforms, field maintenance, and other essential expenses that allow our athletes to focus on their growth and success.

Our 2026 summer collegiate season was another exciting year for our organization. As the defending **Southern California Collegiate League Champions**, we continued to build on our success while competing as an affiliate member of the **California Collegiate League (CCL)**, one of the premier collegiate summer baseball leagues in the state.

As we transition from our summer collegiate season, our **Fall Ball program is now back up and running for the year**. We are excited to continue growing this program and hope to welcome even more teams and young athletes from our community. Fall Ball gives local youth additional opportunities to develop their baseball skills, build confidence, and continue their love for the game.

Your investment also supports the local community by helping us provide opportunities for young adults through coaching support, scorekeeping, field preparation, umpiring, and other roles within our organization. Together, we are creating a positive environment where athletes and community members alike can learn, grow, and give back.

We are incredibly grateful for sponsorships of **any amount**, as every contribution directly supports our athletes and programs. **Sponsors who contribute \$500 or more will also receive a banner displayed at our home field, Elks Field, in recognition of their generous support of the Santa Maria Indians Baseball Club.**

Your generosity and commitment to local athletics make a lasting difference. Thank you for considering supporting the Santa Maria Indians Baseball Club and investing in the future of our athletes and our community. We look forward to the opportunity to welcome you as one of our valued community partners and to continue building relationships within the Santa Maria Valley for many seasons to come.

With Gratitude,

Santa Maria Indians Baseball Club
